FAYS AIR TROUBLES IN SUPERIOR COURT

Trouble Seems to be Due to Desire of Mother-in-law to Make her Home With Fays.

The divorce suit of Mrs. Alice Fay against her husband, Clarence Fay, was heard before Judge Buck in the superior court on Wednesday. A number of witnesses were examined on both sides of the case. From the evidence produced it appears to be a case of too much mother-in-law. Mr. Fay testified that his domestic troubles chiefly were due to his mother-in-law. Mrs. Helen Quinlan persisted in residing at the Fay home.

Mrs. Quinlan said that Fay had driven her from the house at the point of a butcher knife, but that she returned.

Fay owns property in Los Angeles, and Chicago and has bonds and stocks. His net monthly income, as brought out in the evidence, is \$375. He is paying interest on borrowed money amounting to \$60,000.

Mrs. Fay was represented at the trial by Walter H. Linforth and George C. Ross while the interest of Mr. Fay are looked after by Hugh K. McKevitt of San Francisco.

If you have Watch trouble see watch doctor, George Peterson, 214 Main street, Sequoia Hotel Building.

R. E. WHITE PURCHASES BUSINESS OF JOHN READ

R. E. White, the local agent for the San Francisco daily papers, has purchased the real estate and insurance business of John Read, 336 Broadway. Mr. White will continue as agent for the papers and will make a specialty of rent collections and insurance. He will also handle all real estate deals that may come his way. Having an intimate acquaintance with nearly all the people of Redwood City he is peculiarly fitted for his new undertaking. He has an able assistant in his work and as business increases he will increase his office force. Mr. Read has accepted a lucrative position with the Pacific Coast Steel company of South San Francisco.

JOSEPH SPAULDING, UNCLE OF MRS. J. L. ROSS, DIES

Joseph Spaulding, uncle of Mrs. J. L. Ross of this city, and one of the oldest and best known residents of the Santa Clara valley, passed away at Mayfield last Sunday. Spaulding came to California in 1851. He operated hotels throughout the state and in the year 1871, owned a hotel and race track on the present site of the Stanford University. For a number of years he had been conducting the Chandler Hotel in Mayfield. He owned considerable real estate in Calaveras county. Spaulding was well known to many of the old timers of Redwood City.

CANDIDATES FILE EXPENSE ACCOUNTS

Some Interesting Figures of Expenses of Recent Election Costs of Various Candidates

As required by law all the candidates for office at the recent election have filed their verified affidavits of the amount of money spent in the campaign. The amounts vary. WARNING TO DISTRIBUTORS OF SUGAR IN THIS COUNTY

Lee T. Ross, Food Administrator for San Mateo county, announces that it has been brought to his attention that some of the dealers in sugar in the county have been overcharging their customers, and unless this practice ceases immediately, the violators will be brought up before the Food Administration. As announced heretofore, the fair price for sugar is nine cents for granulated and ten cents for cube, and the housewives should see that they are not charged any more.

The State Food Administration has now sent out notices to the effect that the price of sugar has now advanced 1 1/2 cents in the hands of the refiners, and sugar will, therefore, cost more later on. However, sugar certificates for the entire month of September were sent out to the various dealers the first of the month, and they doubtless bought their sugar supply for the current month at the old price, and they are, therefore, required to sell this sugar without any advance in price. Any overcharge made to customers should be reported to Mr. Ross without delay.

MRS. MARTIN SUES FOR DIVORCE

Mrs. Julia Martin has instituted a suit in the superior court against her husband, Joe Martin, for an interlocutory decree of divorce on the ground of desertion. The Martins were married at Badley, Monterey county, on February 15, 1886. Martin deserted his wife at Santa Clara on October 30, 1906. There are three children as a result of the union, Teresa Martin, aged 28, Joe M. Martin, 22 and Frances Martin, aged 26.

CORNELIUS CULLEN IS QUITE SICK AT HIS HOME

Cornelius Cullen, the well-known wood and coal dealer of this city, who has been confined to his home for the past few months with a severe illness, was very low last evening. It was feared that he would not survive through the night. A special nurse was called in during the week and on Thursday a specialist from San Francisco was sent for. Very little hopes are entertained for his recovery. Mr. Cullen is one of the most esteemed citizens of Redwood City and best beloved by those who know him intimately.

SACRAMENT OF CONFIRMATION BY ARCHBISHOP E. J. HANNA

At the conclusion of the 10:30 o'clock mass tomorrow morning in Mount Carmel church Archbishop E. J. Hanna of San Francisco will administer the Sacrament of Confirmation to a class of 100 boys and girls. His Grace will preach the sermon at the mass. He will also bless and dedicate the service flag of the church containing 80 names. These men are now enrolled in the service of their country, many of whom are at the battle front fighting for all that is near and dear to them and their country. The ceremony will be impressive. All are cordially invited to attend these services. An augmented choir will render the music.

PRESENT RAIN FALL BREAK ALL RECORDS

There is no record in the history of California where there has been such a downpour as occurred this week at this season of the year. It is beyond the recollection of the "old-time inhabitant". Up to six o'clock last evening four inches of rain had fallen in Redwood City, more than half the rain fall of last season. Thirty-two years ago there was a rainfall in September but not one-half of the present downpour. The rain has caused millions of dollars worth of damage throughout the Santa Clara valley. On the coast side of the county the bean crop has been ruined while great damage had been done to the hay and grain crop. The prune men and grape and apple growers of Santa Clara county will suffer big losses. Father Ricard of Santa Clara University predicted the storm.

MRS. J. B. HUGHES ELECTED TO THE STATE ASSEMBLY

Redwood City friends of Mrs. Elizabeth Hughes, wife of Principal J. B. Hughes of the Ogoville high school, will be interested to hear that she won both the Republican and the Democratic nomination for State Assembly at the primary election in the Seventh Assembly District, despite the fact that she was opposed by a strong candidate from Chico. Mrs. Hughes and her husband visited Redwood City and San Mateo this summer and were the guests of the latter's brother, Merton F. Hughes, who is manual training instructor at the San Mateo Union High School. The Hughes family were pioneer residents of Redwood City, their home for years being on Webster street.

Mrs. Hughes is one of four women to be elected to the Legislature this year. This is the first time in the history of the state that a woman has been a member of the lawmaking body of California.

SEEKS DIVORCE ON THE GROUND OF CRUELTY

Mrs. Florence Penna has brought an action in the superior court against her husband, D. Penna, for an interlocutory decree of divorce on the ground of cruelty. The Pennas were married in Italy on March 11, 1897 and separated at Redwood City on July 25, 1918. There are no children as a result of the marriage and no community property.

WILD RUMOR ABOUT CLOSING FREMONT

Post Commander Has Received no Word From Washington to Justify the Rumor.

There seems to be a persistent rumor in and about Camp Fremont that the government is to abandon the big cantonment. There seems to be no foundation for these rumors that have been floating about the peninsula for the past three months. During the week a committee from the Chamber of Commerce of Palo Alto waited on Major General Emerick and he stated that a proposition to close the camp for a short time was being discussed at Washington. He could not give any definite statement as to the outcome of the discussion. He hinted that the sanitation was not all that it should be. From other sources it was learned that the government objects to the large prices it has to pay property holders for leases on their holdings. When these and a few other minor objections are overcome and adjusted it is believed the government will send a large quota of men to the camp. It was also learned from a high official that the camp would be permanent when once the sanitary difficulties were remedied.

THE REGISTRATION WAS OVER 5000

The county clerk's office was a very busy place on Thursday. From 7 o'clock in the morning until 9 o'clock at night Jos. H. Nash and his office force were on the jump registering men from 18 to 46 years, or rather from 18 to 21 and from 31 to 46. Men stood in line waiting their turn to be registered. Patriotic enthusiasm and the spirit of determination marked the registration. All seemed anxious to be given an opportunity of bearing arms and to swat the kaiser.

The registration in the county will be between 5000 and 6000. Those who assisted Nash in the registration were his regular deputies Miss Eleanor Falvey, Miss Katherine Burke, Mrs. M. Hilton and Clement Nash, and as volunteers, George Deleau, Mrs. Annie Agrotti, William P. Hogan and M. A. Harris.

Although reports from all the registration places have not been received, the exemption board figures that the total registration has gone considerably over 5000. To the Sportsmen of San Mateo County

The proprietors of the Spring Valley Water Company in San Mateo county constitute of most extensive game refuge in the county. No one, not even the persons connected with the company, is permitted to hunt on these grounds. It is generally recognized that if it were not for the protection given deer on the company's property deer would soon be extinct in the county.

The company, therefore, requests your earnest co-operation in protecting the deer on its properties in your county and in discouraging hunting on the county's only safe game refuge for deer.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot
As Told in Breezy Style
By Our Reporters

Duncan Reynard, who left with the San Mateo County contingent for Camp Kearney last week, has returned home, having failed to pass the physical test. He is liable to be again called for special work for the government.

The 319 Engineers departed for overseas duty last Wednesday after a residence here of seven months. The engineers were all well liked here and there were many sad hearts when they entrained for the front. Their band, every Tuesday evening, discoursed sweet music to the enjoyment of hundreds under the wide spreading oaks near the highway in town. Genuine regret was expressed on all sides at their departure. As they left they were given a rousing cheer of encouragement by the people who had gathered at the depot to wish them God speed on their long journey.

Mrs. H. W. Brown, the superintendent of Menlo Community Center, has made an elaborate report of her work to the government. The report shows that 153 women paid for beds at the headquarters on Mills avenue during the month of July, 240 in August and 120 up to September 12. These women came from afar to meet their husbands or sweet hearts at the camp and find shelter and assistance at the community center which is so ably presided over by Mrs. Brown who has shown sympathy and consideration in this splendid work. She has brought comfort and encouragement to hundreds of discouraged women. Mrs. Brown has been highly commended by the camp authorities.

On September 10 and continuing until October 15, ladies' nights, Tuesdays and Fridays, will be free at the Fremont Skating Rink. These evenings are popular at the rink by lovers of the sport.

The Fremont Candy Shop has changed hands. T. W. Nendick, the well-known sign painter, is the new proprietor who will conduct the place in an improved style. His charming daughter will manage the business.

Rinaldo Puccinelli, proprietor and manager of the Sobel Drug company, who holds the bantam weight championship of the Golden West Athletic Club of San Francisco, will display his skill in a four-round bout with Joe Rivers at the Fremont Athletic grounds in the very near future. They will contend for the world's light weight championship. Mr. Puccinelli was formerly a member of the Olympic club.

Owing to the rapid growth of Runnymede the Ravenswood school has a large attendance of pupils. This week a third teacher was added to the staff of instructors. Miss Amy Farley of Campbell has been appointed to the new position. She will have charge of the intermediate grades while Miss Brown will be in charge of the lower classes and Miss Lattimer the higher grades. Last year there was only an attendance of eleven pupils while this year there are over 80. The frame of the new building near Runnymede is up and the contractor is pushing the work so that the school may be ready for the January term. When completed the building will cost nearly \$18,000. The rainfall for the present storm up to 2 o'clock yesterday afternoon was 3.90 inches. This is over half the whole of last season's precipitation. Never in the history of the state has there been such a heavy

downpour at this time of the year. The good that the rain will do will be considerably over-balanced by the evil wrought by the storm. The tomato, grape and prune crop of Santa Clara county has been practically destroyed.

James G. Mason, with ten able assistants registered 385 men at the school house on Thursday, whose ages ranged from 18 to 45 years. All the registrants were resolute and determined to do their full duty if called upon to battle at the front. Many appeared anxious to go at once. All were anxious to secure their German hunting licenses, as they called their blue cards of registration, to hunt the Hun in Helligoland.

A fire started at the base hospital at 3:30 o'clock yesterday morning, burning the receiving ward building. There were no patients in the structure at the time. The telephone system was out of order preventing the guards from notifying the fire department here. A motorcycle was pressed into use and soon the fire engine was on hand and stopped the flames. The building cost the government about \$5000. It will be rebuilt at once.

The St. Francis cafe is preparing to build a recreation building and to install a \$5000 organ in it when the structure is completed. John Rothchild, the wholesale grocer who furnishes the greater portion of the foodstuffs to Camp Fremont, is at the head of the enterprise.

Never in the history of Menlo Park was there such a large attendance at a bazaar as that which crowded the grounds of the Moose club last Saturday evening, the final evening of the fair. Every article was sold. The ladies in charge realized a tidy sum which will be turned over to the Church of the Nativity. The ladies in charge and Father Sullivan, the pastor feel grateful for the generous patronage extended the bazaar. It was an unqualified success.

ITEMS OF INTEREST FROM HALFMOON BAY

Miss Alice Abbott has resigned her position as teacher in the Montara school to accept a place in the San Jose school department. Her place has been filled by the appointment of Miss Irma Hazard of San Luis Obispo.

On Monday evening at 8 o'clock, on the second of September, Mrs. Hertha Semler of Montara and F. Allons passed out of this troublous world into the great Beyond, and left in her sorrowing family and the bereaved community an empty place which cannot be filled again.

Here was a long life—as lives go—and she lived it nobly and well. When her time came to go she went without a fear, and her departing spirit left such a happy smile upon her face that one could but think it was an illuminating glimpse of the heaven into which she was entering.

All who knew her—and they were many and many—were her friends. The funeral services were held in San Francisco; then all that was mortal of her laid to rest in beautiful Cypress Lawn cemetery.

At the War Saving Stamp drive held in Halfmoon Bay last Sunday over \$10,000 worth of war saving stamps were sold. A Limit Club is being organized by Manuel J. Bettencourt of the Bank of Halfmoon Bay and he is receiving much encouragement and many subscribers. He expects to within the next few days to sign up at least 15 limit subscribers. Will you be one of them, if so see Mr. Bettencourt at the bank.

J. L. Debenedetti of San Mateo, one of the most earnest workers in this county for the government bonds and war stamp drives is in town visiting his mother, Mrs. Jos. Debenedetti.

Prof. Stuckey formally teacher in the Halfmoon Bay grammar school was in town several days this week. Bartlett Miller has accepted a position in San Francisco while Edwin Moore has taken Bartlett's position in the Drug Store.

On Wednesday Constable Fred Simmons found a small amount of greenbacks all torn into shreds near the scene of the death (suicide) of Dr. Lephakis. His rings and watch are still missing.

Frank Lynch of Sacramento spent Wednesday and Thursday with his mother and sister, Mrs. Helen Lynch and Claire of Lobitas.

Mr. and Mrs. Ed. Gonzales and daughter and son, Agnes and John spent last week end in the city where they took in the parade on Monday.

Miss Cecilia Moran of Lobitas spent the week-end with Miss Norma Francis.

Mrs. Manuel Francis and Miss Sylvia Daneri motored to Mt. View Tuesday.

Leslie Grainger, Fred Wendt, Manuel Cunha, Manuel Gravance, Frank Cunha, Jos. Silva of San Gregorio and Bernard Cabral of Pomponia were among the boys who left with the contingent Tuesday.

Miss Norma Francis has returned to her school at Santa Clara. Her mother, Mrs. Jos. Francis, is spending a few days outing at the Gilroy Hot Springs.

Mrs. Anna Prescott of San Francisco spent last week-end at the home of Mrs. R. E. Wall.

Miss Helen Gilerest of Colma spent the week-end at her home.

The annual Catholic Fair will be held at Cunha Hall on October 25 and 26. Don't forget the date and place.

INTERESTING ITEMS FROM SAN CARLOS

Happenings in Our Northern
Neighbor Town Reported
by One of Its Residents

From over there comes the interesting news that U. S. Base Hospital Unit No. 30, of which Willie McDonald of San Carlos is a member, is one of the most efficient and active bodies in that part of the service.

Mr. and Mrs. A. S. Peterson have returned home from a visit with friends and relatives in San Jose.

Mr. Fred H. Drake, manager of the San Carlos properties, has disposed of lot 10 on Arroyo avenue to Mr. Sam Schooley of the California Theatre, and has sold lot No. 6, corner of Elm and Cherry streets to Mr. Wm. H. Foot, of the Pacific Telephone and Telegraph Co. Both of these parties expect to arrange to build as soon as lumber and material can be engaged.

Mrs. H. W. Mahany with her three little tots has gone to San Francisco for a week's visit.

Miss M. L. Gill of Porterville on her return from two months' stay at Lake Tahoe has stopped over here to visit her sister, Mrs. R. P. Hurlbut, Jr.

The construction of the lines for our lighting district was completed and the current turned on last Saturday night and now San Carlos takes her place among the lighted elements of the county. This badly needed improvement was brought about largely through the activity and influence of Fred H. Drake, the manager of the San Carlos properties. Miss Edna M. Scofield of Fresno, and one of Fresno county's teachers, is the guest of her friend, Mrs. R. P. Hurlbut.

WOODSIDE NOTES

Cadet McKee, young son of Dr. and Mrs. McKee, is enjoying a short furlough here from Annapolis with his parents. Young McKee is making wonderful progress at his studies and will probably finish his course in two years when he will be commissioned as an ensign in the navy. He has already cruised in Uncle Sam's big battleships in many parts of the world.

The Josselyns are preparing to move to the city for the winter months.

SUPERVISORS HOLD THEIR REGULAR MEETING

The board of supervisors met in regular session Tuesday, September 10 at 10 a. m., there being present Dr. C. V. Thompson, president; T. L. Hickey, Wm. H. Brown, John MacBain and Jos. M. Francis.

A communication was received from County Auditor J. J. Shields in which he recommended that the following county officers be paid their salaries by direct warrant by the auditor instead of their having to file claims each month.

Arthur Carleton, gardener.
Geo. Lowans, traffic officer.
Jan. B. Logan, traffic officer.
Jack Mesquite, traffic officer.
Fred Vallejo, traffic officer.

M. M. Grady, sealer of weights and measures.
Timothy Sheehan, deputy health officer.

Philip Fahy, deputy health officer. Deputy Auditor Ed. Stack who was present at the meeting, explained that the recommendation was made with the idea of simplifying the work.

The communication was accepted, on motion of MacBain, seconded by Hickey, and the county auditor was authorized to draw the warrants in accordance with the above plans.

Supervisor Brown called the board's attention to the worthy case in San Mateo where State aid had been withdrawn several months ago, leaving the person in rather destitute circumstances. On his motion, seconded by MacBain, the County Social Service Commission was directed to pay the person \$12.50 a month, dating the first payment back from the time the allowance was discontinued.

Supervisor Brown brought up the question of the closing of the saloons in the county on Thursday, registration day, as required by Governor Stephens in his proclamation. At the suggestion of Brown, each member of the board agreed to notify all the saloonmen in his respective district to close his place of business on that day from 7 a. m. to 9 p. m.

The board, on motion of Brown, seconded by MacBain, ordered three claims presented for payment to be referred to District Attorney Swart for a written opinion on them.

There being no further business, the board after passing the regular monthly claims, on motion of Brown, seconded by MacBain, adjourned at 11:55 a. m. to Monday, September 16.

FOOD CONSERVATION MEETING

On Thursday afternoon, September 26th, at 2:30 p. m. there will be a public meeting at the Sequoia Theatre in Redwood City, at which time the program of food conservation for the coming year will be announced. Ralph P. Merritt, Federal Food Commissioner for California, will have an able speaker present to address the meeting, and who will deliver the message that has just been sent out from Washington. The Food Administration urges that as many as possible be present at the meeting, which will be interesting as well as instructive.

PRIVATE AVIATION SCHOOLS MUST CLOSE SAYS U. S.

Some time ago the Government issued orders compelling all private schools of aviation to discontinue by September first. This order has affected the Redwood City School of Aviation and last week Mr. Bryant, head of the local institution, discontinued the school for the present. He graduated eight pupils ten days ago and gave notice that he would not accept any more students. He had a large number of applicants but was compelled to turn them down. Mr. Bryant says he was doing well and had more pupils than he could really accommodate when the order came from Washington to close down.

The local school has been highly successful ever since it was started over three years ago by Silas Christoferson who lost his life in his own field in a flight. Many of the daring and skillful airmen now winning glory in the skies of France graduated from the local school under the able tutelage of Professor Bryant.

Should the order be rescinded the institution will again be opened. Mr. Bryant will manage the field as heretofore.
